About TechInnovation

TECHINNOVATION is a premier technology-to-industry matching event organised by IPI. It brings together international technology providers and enterprises to accelerate the commercialisation of emerging technologies, seed licensing opportunities and foster open innovation collaborations.

This year, the eighth edition of TechInnovation will be held in conjunction with the Singapore FinTech Festival (SFF) and the Singapore Week of Innovation and Technology (SWITCH).

Together, SFF x SWITCH will form a comprehensive showcase of innovative technologies across five key sectors: *Advanced Manufacturing & Engineering, FinTech, Health & Biomedical Sciences, Services & Digital Economy, and Urban Solutions & Sustainability* to prime business transformation.

What to Expect at TechInnovation 2019

INNOVATION INSIGHTS

Thought leaders and industry experts share emerging technology trends and open innovation best practices.

CROWDSOURCING

Large corporations engage the innovation community for technology solutions and partnerships to solve business challenges through an open innovation platform.

CROWDPITCHING

Innovators showcase and pitch enabling technologies for commercialisation or co-development to technology seekers.

TECHNOLOGY MATCHING

Exhibitors that are seeking partnerships via R&D collaboration, technology commercialisation or licensing can connect to potential collaborators through a pre-event B2B technology matching service.

If you're interested in this service, please select 'Technology Matching' upon exhibitor registration.
